CARRER OBJECTIVE

Aiming to work in a collaborative and innovative environment where I can continuously grow, take initiative, and deliver impactful results that drive organizational excellence.

Education

CMR COLLEGE OF ENGINEERING AND TECHNOLOGY, Bachelor of Technology in Information Technology
(Sep 2022 –June 2026)

NARAYANA JUNIOR COLLEGE - (2020 - 2022)

755/1000

SRI CHAITAYANA HIGH SCHOOL – (2019 – 2020)

10/10 – CGPA

Technical Skills

- Front-End: HTML, CSS, React.js, Bootstrap, Responsive Web Design.

- Back-End: Node.js, Express.js, Python (Flask/Django basics).

- Database: MongoDB, MySQL.

- Tools & Platforms: Git, GitHub, VS Code.

- Soft Skills: Problem-Solving, Team Collaboration, Adaptability, Communication, Continuous Learning.

Projects

- **Budget Buddy – Personal Finance Tracker** : Budget Buddy is a full-stack personal finance management web application that helps users track their income, expenses, and savings goals in one place. It provides a clean and intuitive dashboard where users can view detailed analytics of their financial habits, filter expenses by category, and plan monthly budgets.

- **Local Kart – Hyperlocal Shopping App** : Local Kart is a MERN-based e-commerce platform designed to support local stores and connect them directly with nearby customers . It allows shop owners to register, list products, and manage stock, while users can browse items from stores in their area, place orders, and track deliveries — all through an easy-to-use interface.

- **E-Commerce Platform with Admin Dashboard** : Built and deployed a full-stack e-commerce web app using MERN stack with secure JWT-based authentication and Stripe payments.

Achievements

- Solved 300+ coding problems on LeetCode, CodeChef, and Codeforces, demonstrating strong problem-solving and algorithmic skills.
- Student Council Member, CMRCET (2022–2025)
- Student Leader, Samskruthi Foundation (2024–25)
